Prayer Focus

1. **Stephen and Angelina Cowan, Tuum, Kenya** Many thousands of students in Kenya are getting ready to enter secondary school but many families are struggling to find money to pay school fees and money for personal effects. Pray for **wisdom for Stephen and Angelina** as they seek to help those they can with school fees.
2. Tuum Girls' Secondary School (TGSS) is having a trickle of students coming for the start of the new academic year. The school had some negative publicity recently with some of the TGSS leadership team seeming to be opposed to PCEA being the sponsor of the school. **Pray for the intake of students into TGSS**, that the negative publicity will be counteracted, and many parents locally will hear the true story of the church's continual involvement with the school. Give thanks for the opportunities that TGSS provides to share the Gospel to the students who attend
3. Pray for our **young people growing up in a world where Christian values are disappearing**. Pray that they will have wisdom and strength to uphold their values and the desire to do so. Pray for everyone who encourages young people to think carefully about their actions and exercise self-control when opportunities arise to drink too much, take drugs and be involved in other immoral activities that put them at risk.
